

ARX TRUSTEES LIMITED

MALTA INDIVIDUAL INVESTOR PROGRAMME (MIIP)

ARX Trustees Limited, has been approved and licensed by Identity Malta Agency (an official agency of the Government of Malta; <http://iip.gov.mt/>) as an Accredited Person authorised to submit applications under the MIIP and to promote and market it in accordance with the Individual Investor Programme of the Republic of Malta Regulations, 2014 (“MIIP Regulations”) and the procedural guidelines issued from time to time by Identity Malta.

ARX Trustees Limited is currently inviting individual investors from outside the European Union to participate in the exclusive Malta Individual Investor Programme: The Malta Individual Investor Programme.

This offers citizenship by certificate of naturalisation to individuals and their families who contribute to the social and economic development of Malta.

Why acquire Maltese citizenship?

As a valued member and investor in Malta you become part of a highly respected, culturally rich and stable neutral European Union member state with numerous benefits to suit your lifestyle.

These include:

1. Visa-free travel in European Union member states
2. The right to live and work in all 28 European Union countries
3. No dependence on a single passport
4. Potential tax planning benefits
5. A safe and attractive place for retirement
6. An excellent education system
7. Personal security

How do I apply?

To qualify, applications are asked to make a contribution to the national Development and Social Fund established by the Government of Malta and coordinated by the Identity Malta agency.

Only the most highly reputable applicants are admitted and are selected through a thorough and rigorous due diligence process.

ARX TRUSTEES LIMITED

Applications are to be submitted through the authorised entities and persons approved by ID Malta. ARX Trustees Limited as an authorised agent can assist foreign nationals and provide guidance on their application for Maltese citizenship.
